Capstone Global Library Ltd. Paperback. Book Condition: new. BRAND NEW, The Frankenstein Journals: I for an Eye, Scott Sonneborn, Timothy Banks, J.D., the fourteen-year-old son of the notorious Frankenstein monster, comes into possession of the original mad scientist's secret journal. Clues lead him to the donor of his dad's right eye: a world famous detective from the 1940s whose grandson is now a detective himself. It's a good thing J.D. has inherited the sleuth's super skills, (along with his pale blue eye), because he also accidentally stumbles into his cousin-detective's most difficult case. And J. D. becomes the prime suspect! Readers will unscramble the pieces of the story through diary entries, mixed media images, and diagrams of mad science. Because if the young Frankenstein can't solve the crime, he'll be locked up for the rest of his strange, unnatural life!.
