Brand New Book ***** Print on Demand *****.Job Lost, Job Found is one of the most comprehensive books addressing job loss of our time. It not only covers the emotional impact of losing a job and how to deal with it, but it also teaches proven methods and skills for finding new employment. Millions of people are now finding themselves out of work as unemployment rises to an all time high. Most people s fundamental identity is intertwined with their jobs and this loss can be devastating. They typically struggle with depression, stress, and self esteem issues that come from this separation. While Neal Pellis, LMFT helps people recover from job loss, Bonnie Roy, Career Counselor provides valuable tools like where to search for a job, how to write a resume, how to interview and even what to do after the interview. Job Lost, Job Found aids individuals to recover self-worth and obtain that most desired position. Neal Pellis holds a masters degree in psychology counseling from Our Lady of the Lake University and is a licensed marriage and family therapist in Texas....

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
