This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

PSYCHOLOGICAL NUTRITION

Holy Moly Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Psychological Nutrition is not a concept that most women have ever really contemplated. The concepts that we introduce: emotional anorexia, binge emotions, emotional jelly belly, and psychological malnourishment- will ring an intuitive bell. Psychological malnutrition has a profoundly harmful effect: it keeps us in the same emotionally unsatisfying loop; one that is fed by a false sense of obligation; keeps us unsatisfied with our lives, our work, and our relationships; keeps us closing doors to opportunities; and destroys our marriages, our friendships, and our family relationships through martyrdom, insincere niceness, and doing for others with resentment rather than love. All of this ultimately is what keeps the arteries of your soul clogged with high fat emotions. Our purpose is to encourage you to become incredibly creative and energized. We want to inspire you to unleash your full potential, and to fulfill your passion and destiny. While that sounds very exciting and positive, the truth is, you won't be able to do it if you're in a psychologically malnourished state. The authors happen to be clinical psychologists; but more importantly, we are women in some stage of middle age who discovered that we are at a turning point in our lives. We're no different than millions of women who want to live a more enriched life. And what you achieve-for yourself and for those...
