Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

Paperback. Book Condition: New. Not Signed; In this collection of fifty-one tales from the land of galloway, Alan Temperley pays tribute to the great Scottish tradition of storytelling. The tales are wide-ranging: heros, ghosts and solway smugglers; witches, martyrs, mermaids and fairies; reivers, monsters and colourful rogues. Here are Billy Marshall, King of the tinklers; Sawney Bean, the murderous cannibal; young Robert the Brube on the run in the heather; Trost, last of the Picts, who kept the secret of heather ale; the legend of Mons Meg; Claverhouse and Lagg, persecutors of the Covenanters; the famous poterguist of Rerrick; and many more. Simply told and unadorned, the stories bear the flavour of the region - mountain and forest, silver rivers and lochs, the wild Solway Firth, and some of the most beautiful rolling countryside in Britain. Originally these traditional tales - ranging from rustic comedy to horrific murder - were told in crofts and rural cottages. They grew naturally out of the rich past and the land and the lives of the people - wonderful stories. And they are still as alive today as when they were first told. book.
