Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1912 edition. Excerpt: . PREFACE Why is it that in the United States the words politics and politician have associations that are chiefly of evil omen? Why is it that in the United States the phrase, to play politics, means to cajole the mob or to descend to practices of doubtful honor? In the true and broad sense of the word, politics is one of man s highest concerns, and nowhere should the word have loftier and nobler associations than in a twentieth century democracy. The fact that this is not the case indicates the measure of our failure, as yet, to place our public life and our governmental administration upon the plane where they ought to be. There is a singular and discouraging discrepancy between the political expositions and discussions of a century ago and those of today. In the Federalist and in Calhoun s Disquisition on Government, we have perhaps the two most profound and original contributions to political science that have been made since Aristotle. Even when the controversy over slavery was at its height and men s passions were fiercely roused, there was a distinction in the public debates and discussions, both in the Senate and on the platform, that is now sadly lacking. The people of the whole country hung with breathless interest upon the great debate between Lincoln and Douglas, and its published record remains to-day, after the controversy which caused it has been closed forever, a political classic of first-rate...
