Wipf Stock Publishers, United States, 2015. Paperback. Book Condition: New. 229 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.In this fascinating spiritual-theological autobiography, Robert Rakestraw tells of his lifelong, unceasing search for God. After a troubled and unconventional childhood, he came to know the grace and freedom of God in a personal way during his college years. He then embarked on an unwavering intellectual and spiritual quest for truth and meaning in life. Without technical language, Rakestraw highlights significant developments and revisions in his understanding of God and God's ways of interacting with the world. In striking and sometimes intimate detail he relates compellingly his experiences as a student, pastor, professor, sufferer, heart-transplant recipient, and above all, seeker of God. Dr. Rakestraw's gripping portrayal of his difficulties and sufferings, especially with regard to health issues, does not come across as depressing. Rather, it presents the sustaining love and goodness of God in such a way that will pull readers in to investigate the remarkable and freely-offered grace of God extolled by the author. GraceQuest does not sentimentalize the lifelong journey through suffering and disability. But its rawness mediates the divine grace sure to touch and transform the hearts of many readers, even as its authenticity will encourage those who find themselves in similar circumstances. --Amos Yong, Faculty of Theology, Fuller Theological Seminary Rakestraw tells the story of his life, his response to God's call and empowerment, and his preparation for the perilous journey of dependence on another's heart beating in his chest. He writes well, with candor and solid self-reflection . . . It is a compelling read, even for those who do not know this gentle man characterized by wisdom, grace, and purpose. --George K. Brushaber, President Emeritus, Bethel...
