Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.How I Started Flipping Houses Online Using Only A Laptop and Cell Phone It is 1 o clock on a Tuesday and I m sitting in my truck parked at a truck stop on I-80 in Iowa. I just received an e-mail informing me that a house I had for sale in Houston, Texas just sold. The same house that I had purchased only a little over three months ago while sitting in a truck stop on I-95 in South Carolina! I found it on the internet, hired a home inspector on the internet, negotiated the price and purchased it on the internet, ordered installed home improvements on the internet, secured and monitored it on the internet, and finally flipped it on the internet. Never set foot in the place! For thirty or so years I made my living as a carpenter flipping older homes after rehabilitating them, but have since retired my tools. Not truly ready for full retirement, my wife and I then purchased a Freightliner tractor-trailer with a condo sleeper and now we drive all over the country hauling freight. Over the road drivers they call it. It s a great life, seeing the country and getting paid as we watch the scenery change daily outside our windows. But I ve never lost my love for building and I miss it so much more every time we haul lumber or building supplies to one of the big home improvement centers. So naturally, while browsing the web during our down time at the truck stops, I found myself gravitating to the websites that specialized in homes for sale and home improvements that you can now buy...
