

Planning for the South: An Inquiry Into the Economics of Regionalism (Classic Reprint)

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.
(Prof. Loyce Runolfsson Jr.)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Planning for the South: An Inquiry Into the Economics of Regionalism Why are economic rewards so much lower in the South than in other parts of the country? This question was drawn forcibly to the attention of the nation by the Report on Economic Conditions of the South in which President Roosevelt, in a foreword, characterized the area as the Nation s No. 1 economic problem. The present volume, which attempts to answer this question, is a plea for regionalism by a man without a region. My residence in the South dates from September, 1938. With the exception of the first eight years of my life in Colorado and the next eleven in Baltimore, I have never spent more than five years in any one place; more than ten years were spent in various parts of Europe. My regionalism is thus intellectual rather than emotional. Nor is it the result of any sudden conversion. Are there any students who were privileged to sit under Frederic Jackson Turner who are not regionalists? His lectures made a deep impression on me in my graduate school days. His doctrines appear to me to have gained in validity throughout the years. I have more and more come to see our own Federal Union as a magnificent and continuing experiment in the art of harmonizing profound and desirable economic and cultural diversities, regional in character. The regions of the United States, as Turner pointed out, arc potential nations. In a sense, therefore, this is a study in international relations. It is not primarily the phenomenon of existing regional inequality that needs explaining, but rather its persistence over generations. This persistence is...
