Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

A FLYING TIGER S TALE

AUTHORHOUSE, United States, 2004. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.TC Koo, (Koo Teh Chang) lived one of the most fascinating lives imaginable. He was born in 1916 in Washington, D.C. where his father, Dr. Wellington Koo, was a diplomat in the Chinese Legation. At the time of his birth his maternal grandfather, Tong Shao?Yi, was Premier of China and TC s father was to destined to follow in his father? in? law s footsteps less than ten years later. This story is about TC Koo, his family, his many friends and a few of his enemies. It is about the trials, tribulations (and rewards) of growing up in a lofty environment; and about his many experiences, running the gamut from joyful to terrifying. He literally grew up in the midst of history in the making and witnessed first hand what you are about to read. I present this work as a simple (and woefully incomplete) biography, which is derived from recorded conversations between Mr. Koo and me as well as notes he kept in his personal journals. Dates, names and places have been checked for verification using every source available. TC and I were well aware that in such endeavors (especially when dealing in memory) there are opportunities for errors. In case such errors are discovered we offer our sincere apologies in advance. TC Koo was a most unusual man, as you about to discover. He lived a story matched by few mortals. Serving as an officer in the Chinese Air Force during World War II (as an important member of General Claire Chennault s Flying Tigers staff) is only one of many interesting periods in his colorful life. He was appointed to his post, with General...
