By Daryl Wein

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Daryl Wein discovered he was among the millions of patients with type 2 diabetes while studying to become a Physician Assistant. That s when he found out that, despite type 2 diabetes making up the vast majority of cases, most of the reading material he could find was geared toward patients with type 1 diabetes. The Carbosis (aka type 2 diabetes) Owner s Manual Pocket Guide is his way of fixing that. This handbook is an easy-to-read guide on how to manage your blood sugar primarily through diet. It is written clearly and concisely, explaining the difference between the two diseases in a way that is easy to grasp. You don t have to be a health professional to understand the book. Wein includes concrete examples of what to eat and what to avoid. He talks about the importance of exercise and provides information about medicines in a way that the layman can comprehend without needing to know medical terminology. The book also includes a useful question-and-answer section that covers a variety of specifics about type 2 diabetes...
