New Book ***** Print on Demand *****.Every child has a dream
that must be achieved with personal discipline, education,
prayer, and hard work. Seeing the importance of growth,
development, and success of African American children, author
Cajetan Ihewulezi has created a successful solution through his
first-hand experience. Achieving your Dreams guides every child
in the African American community to start early in life by
making wise choices. Ihewulezi offers his personal story and
other stories to make every African American child understand
that they can achieve anything they want. By first stimulating
the mind to set solid goals, Ihewulezi then lays out an extensive
guideline to follow in order to achieve the success that he talks
about in his book. He gives hope to every child in every situation.
This book provides informative, straight-forward, hands on
strategies for students of different ages. -Lisa D. Smith Helping a
child choose a career as early as possible, even if it is tentative,
helps the child to focus on the foundation necessary for a future
profession. -Dr. Richard C. Dickinson Beginning right is the best...
