Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

SEED SEEKER

Tor Teen, United States, 2015. Paperback. Book Condition: New. Reprint. 208 x 137 mm. Language: English . Brand New Book. Acclaimed SF writer Pamela Sargent s book, *Earthseed*, told the story of Ship, a sentient starship that settled humans on the planet Home before leaving to colonize other worlds, promising to return one day. This classic YA science fiction adventure, optioned by Paramount Pictures, will be produced by the adaptor of the *Twilight* series. The adventure continues in *Earthseed* s stand-alone sequel, *Seed Seeker*. Over time, the colony of Home divided into those who live in the original domed buildings of the colony, who maintain the library and technology of Ship, and those who live by the river, farming and hunting to survive. The Dome Dwellers consider themselves the protectors of true humanity and the River People as contaminated. For many years, the two populations interact solely through ritualized trade. Then a new light appears in the night sky. The River People believe it might be Ship, keeping its promise to return, but the Dome Dwellers, who have a radio to communicate with Ship, are silent, so Bian, a seventeen year old girl from a small village, travels upriver to learn what they know. As she travels, Bian ponders why the Dome Dwellers have said nothing. Has Ship commanded them to be silent, in preparation of some judgment on the River People? Or are the Dome Dwellers lying to Ship and turning Ship against their rivals? *Seed Seeker* is an adventure in colonization and conflict from a master of the SF field.
