ENERGY AND MATTER

ReadZone Books Limited. Paperback. Book Condition: new. BRAND NEW, Energy and Matter, Gerard Cheshire, This title introduces the reader to the ways in which we use energy in our daily lives. Find out where energy comes from, learn how it can be converted from one form to another, and discover the importance of conserving energy for future generations. This series is packed with the latest scientific information and is an ideal support for physics students at Key Stage 3 level. The series will also be of interest to older students. Fascinating feature boxes outline recent physics research and encourage the reader to look more closely at the world in which they live. Key concepts are brought to life with full colour illustrations and mini quizzes help to reinforce new ideas.
