Excerpt: . . . not see how we can undertake to finance the affairs of individual companies. This is an accounting scheme, and it provides for treatment of the matter, one way or the other; but, in order to get the sense of the meeting, I will ask Mr. Campbell to phrase his suggestion in a resolution. Mr. Campbell: I move that account 22 on page 70, be amended by striking out the words beginning Provided it is the policy of the corporation to capitalize such costs, otherwise the cost should be charged to the operating account Setting and Removing Meters. (This was duly seconded) Chairman Edwards: It is moved and seconded that account 22 end with the words incandescent lamps, on the third line. It will then read, Charge to this account the cost of the first setting of meters; also, the cost of connecting arc lamps,...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
