

I Was Wrong: Why the World's Most Notorious Atheist Called It Quits and Other Trouble for the New Atheism

By Dennis Prince

Charisma House, United States, 2013. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book. The seeds of this book were planted, ironically, because of a Global Atheist Convention in Melbourne, Australia. Troubled that such an event should be held in his city, Dennis Prince decided to publish a one-off newspaper, The Regal Standard, a dynamic collection of God-intervention stories alongside nuts-and-bolts answers to common questions, as a counter to the convention and to answer questions that would be raised. More than 80,000 copies of the paper were distributed, and its success inspired an expansion into this book. Graciously but decisively, each chapter presents the atheist or agnostic with well-documented God interventions in the lives of a kaleidoscope of people, each revealing God in a special and unique way. Christians, too, will be challenged and inspired, and better equipped to carry out their God-given mandate. Insights from the worlds of: - Atheists and former atheists - Scientists - Miracles - Sexual issues - Demonic forces - Gaming addiction - Heavenly visions and angels - Inspired songwriting - Hinduism and Islam And more.
